I wanna meet Santa Claus, the real real Santa
I wanna meet Santa Claus, the real real Santa
I wanna see Santa Claus, the real real Santa
He wants to meet ol' Santa Claus

I took my brother to the department store
He wanted to show Santa his Christmas list
He stood in line and he shook like a leaf
He's only five and a half goin' on six

He said, "Is that really Santa Claus, really really Santa
Claus?
(That Santa)
(The real Santa)
Is that really Santa Claus, really really Santa?
(That Santa)
(I hope he doesn't pull Santa's beard)
Is that really Santa Claus, really really Santa?"
(That Santa)
(The real Santa)
Hope he thinks that's Santa Claus

I picked him up and put him on Santa's lap
And then he pulled the pillow out of his shirt
He yanked the beard right on off of his chin
And in his eyes I could see he was hurt

He said, "You're not really Santa Claus, you're really
not Santa Claus
(Not Santa)
(The real Santa)
You're not really Santa Claus, you're really not Santa
(Not Santa)
(He shouldn'ta pulled Santa's beard)
You're not Santa Claus, you're really not Santa"
(Not Santa)
(The real Santa)
He's just helpin' Santa Claus

He's just helpin' Santa Claus, the real real Santa
(Helpin' Santa)

(The real Santa)
He's helpin' Santa Claus, the real real Santa
(Helpin' Santa)
(The real Santa)
He's just helpin' Santa Claus, the real real Santa
(Helpin' Santa)
(The real Santa)
He's just helpin' Santa Claus

He's just helpin' Santa Claus, the real real Santa
(Helpin' Santa)
(The real Santa)
He's just helpin' Santa Claus, the real real Santa
(Helpin' Santa)
(He shouldn'ta pulled Santa's beard)
He's just helpin' Santa Claus, the real real Santa
(Helpin' Santa)
(The real Santa)
He's just helpin' Santa Claus
