I'll set the stage while she's still dancing
I'll make the music soft and slow
Then I'll turn down the lights, make things just right
For every slow song that we know

Over and over again
One summer night
We fell in love
One summer night

I held you tight, you and I
(One summer, one summer, one summer)
Under the moon for love
(One summer)
(One summer, one summer)

We'll spin around this room together
I'll treat my angel really nice
We'll fall in love, we'll fall forever
Thank God for lazy summer nights

Over and over again
One summer night

(One summer, one summer)
I kissed your lips
(One summer, one summer)
One summer night
(One summer, one summer, one summer)

I held you close, you and I
Under the moon of love
(One summer, one summer)
(One summer, one summer night)

One summer, one summer
One summer, one summer
One summer, one summer
One summer, one summer

One summer night

(One summer, one summer, one summer)
Under the moon of love
(One summer, one summer, one summer)
Under the moon of love
(One summer, one summer, one summer)
Under the moon of love
