Well Susie Cincinnati  
Got a groovy little motor car  
She lives for the night  
And her husband's a security guard

Her looks aren't exactly a plus  
But it doesn't matter to us  
Because she knows where it's at  
And she gets you there in seconds flat

She knows all the honkies  
And the kids are all home in bed  
(Ooo ride Susie Cincinnati)  
She'd rather do this  
Than anything else instead  
(Ooo ride Susie Cincinnati)  
She got the nicotine fit  
And before she discovered it  
(Ooo ride Susie Cincinnati)  
Everybody in the back seat suffocated

Susie Cincinnati we thought you were a winner  
Susie Cincinnati city's number one sinner  
Yeah  
Susie Cincinnati we thought you were a winner  
Woah  
Susie Cincinnati city's number one sinner  
Susie Cincinnati we thought you were a winner  
Susie Cincinnati city's number one sinner  
Yeah  
Susie Cincinnati we thought you were a winner  
Susie Cincinnati city's number one sinner  
Woah yeah

She'll always pick you up  
When the others go and leave you down  
(To the ride to the ride Susie Cincinnati)  
In her little red cab she's scootin' all over town  
(To the ride to the ride Susie Cincinnati)  
She's gotta mind the meter too  
My pocket's got some signs for you (???)

But it's just one look  
Because she'll give the ride free to you
