I'm thinking about a-this whole world  
Late at night I think about the love of this whole world  
Lots of different people everywhere  
And when I go anywhere I see love I see love I see love

When girls get mad at boys and go  
Many times they're just putting on a show  
But when they leave you wait alone

You are there like everywhere like everyone you see  
Happy cause your living and your free

Now here comes another day for your love  
(I'm thinking about a-this whole world)  
(A-this whole world)  
Love

Woo oo oo oo ooo ooo oo oo  
(Woo oo oo oo ooo ooo oo oo)

Aummmmm wooh woohoo bop didit

Late at night I think about the love of this whole world  
(This whole world)  
Oomm dot dit it  
Oomm dot dit it  
Oomm dot dit it
