Ooh, Merry Christmas children
Bring your toys to Crystal Ship
Ooh

Well down in Eugene we got girls and boys
Who wake up on Christmas morning but don't find any
toys
If they're lucky their healthy, mom and dad come to
chat
About how they're missed but you can change all that

Bring your toys to Crystal Ship
For the children
Bring your toys to Crystal Ship
For the children

Yeah we're the Beach Boys for Crystal Ship and toys
'Cause this Christmas we want you to help spread the
joy
It would feel so good, it would make them feel well
It would cheer 'em all up at Children's Hospital

Bring your toys to Crystal Ship
For the children
Bring your toys to Crystal Ship
For the children

Ooh Merry Christmas children
Bring your toys to Crystal Ship
Ooh Merry Christmas children
Christmas toys to Crystal Ship
