She belongs there, left with her liberty
Never known as a non believer
She laughs and stays in the
Won-won-wonderful

She knew how to gather the forest when
God reached softly and moved her body
One golden locket quite young
And loving her mother and father

Farther down the path was a mystery
Through the recess the chalk and numbers
A boy bumped into her
Won-won-won-wonderful
Na na na na na na na

She'll return in love with her liberty
Never known as a non believer
She'll smile and thank God
For one won-won-won-wonderful
Na na na na na na na
