Won't somebody tell me please  
How do you catch a girl?

Take a little piece of cheese and put it in a trap  
If you don't catch a mouse then you're bound to catch a  
rat

Take a tiny shiny hook and a little piece of bait  
And you're bound to catch a fish if you're calm enough  
to wait

But how do you catch a girl?  
How do you catch a girl?  
Won't somebody tell me please  
How do you catch a girl?

Daniel Boone took a rifle and a coonskin cap  
And he found an icy river and he set a little trap  
And he took a bite of jerky and he took a little nap  
And he knew he'd catch a beaver or a fat muskrat

But how do you catch a girl?  
How do you catch a girl?  
Won't somebody tell me please  
How do you catch a girl?

I'd like to know how to catch a girl  
I've caught frogs  
I've caught snakes earthworms and they may be nice  
But girls - woahh

Well I asked the local lover and he told me what to do  
He said learn the rocking dances both old and new  
But it's hard to do those dances with two left feet  
So I've got to find a method that'll work for me

So how do you catch a girl?  
How do you catch a girl?  
Won't somebody tell me please  
How do you catch a girl?

How do you catch a girl?  
How do you catch a girl?

How do you catch a girl?  
How do you catch a girl?
