Oww, we got it now

I got an alligator claw and some goofer dust
So ya better do what ya know ya must
I got a lock o your hair and a bullfrogs eye
And if you break my heart, you better say Goodbye

I got a yoko-maka, huba bakwa ju ju hand
The yoko-maka, huba bakwa sure is grand
Makes your eyes look red and your tongue turn green
The strongest mess that you ever seen

The Mojo hand used to be real strong
It kept you straight when you did me wrong
As time went by, you just got so mean
But the yoko-maka, huba bakwa is the thing

I got a yoko-maka, huba bakwa ju ju hand
The yoko-maka, huba bakwa sure is grand
Makes your eyes look red and your tongue turn green
The yoko-maka, huba bakwa makes you scream

Scream
Yoko-maka, huba bakwa

Mojo hand used to be real strong
It kept you straight when you did me wrong
As time went by, you just got so mean
But the yoko-maka, huba bakwa is the thing

I got a yoko-maka, huba bakwa ju ju hand
The yoko-maka, huba bakwa sure is grand
Makes your eyes look red and your tongue turn green
The strongest mess that you ever seen

Oww!

Yoko-maka, huba bakwa ju ju hand

SPOKEN Yoko-maka, huba bakwa ju ju hand
