Holy fire burns again
The Magic Circle's all around it
Burning like the innocence of love
Let the mist surround it

Spinning like the Fortune Wheel
Hand into hand, we pray together
Visions of a future world appear
As the holy fire burns

And a face is there
From the smoke a face is rising
Ancient, like the reason of life

Get your body close to mine
There is a Ritual longing for us
Such a thing you await for all your life
Let yourself surrender now

And a face is there
From the fire a face is rising
Mystic, like the reason of life

Holy Flame
The Ritual yearns without you
Understand
The Mystery lies about you
Once again the fate has crossed our ways
As the fire burns away...

Hold on
Cause I need you
And I want to know
What took so long...
And your Fortune
You just need to understand!

Holy Fire burning on
Closing the Circle back together
Once around and coming ever more
Just to start all over again

And a face is there
From the fire a face is rising
Magic, like the reason of life

Holy Flame
The Ritual yearns without you
Understand
The Mystery lies about you
Once again the fate has crossed our ways
As the fire burns and once again
The fate has crossed our ways
As the fire burns away.
