Walking
Down the beach again
And I run
I run into some friends

There you were standing
All by yourself
Then my heart it began
In and out
Pumpin
Like the ocean swells

Though I know
That this night is gonna end
Till then go

Hold me up
Hold me up
Hold me up
To you

Hold me up
Hold me up
Hold me up
To you

Hold me up
Hold me up
Hold me up
To you

Walking
With my head in the clouds
I'm thinking I love you
And I not know how
Somehow you got me
With that look
In your eyes
Yeah you're sweeping me
Off my feet girl
And I like

No I can't lie

And though I know
I may never see you again
Till then go

Hold me up
Hold me up
Hold me up
To you

Hold me up
Hold me up
Hold me up
To you

Hold me up
Hold me up
Hold me up
To you

Walking
To I don't know where
As long as you're with me
Then I don't care
We sit and we watch as
As the sun comes up
Then
I know in my heart it's you
It's true
Yeah true island love

And though I know
That this night is gonna end
And though I know I may never see you again
Till then go

Hold me up
Hold me up
Hold me up
To you

Hold me up
Hold me up
Hold me up
To you

Hold me up
Hold me up
Hold me up
To you

That's what you gotta do girl go

Hold me up
Hold me up
Hold me up
To you

Hold me up
Hold me up
Hold me up
To you

Hold me up
Hold me up
Hold me up
To you

It's what you got to do
