I just call her mine,
Do you know , girl

All I'm seeing in my head
Is you being in my bed
It's on my mind,
I'm losing mind

I can't even breathe, but I know I must proceed
To make you mine
I'm losing my mind

[Chorus]

All I wanna do is to have you
Girl up on my mind like a tattoo
There's something about this girl got a hold on me
And I'm out my time, I won't lie
So what can I do ? she's calling me
Cause , she's calling me
Girl I beg you stay, she's calling me
I'm so helpless
All I wanna do is to have you
Girl up on my mind like a tattoo
There's something about this girl got a hold on me
And I'm out my time, I won't lie
So what can I do ? she's calling me
Cause , she's calling me
Girl I beg you stay, she's calling me
I'm so helpless

Right is where your body needs to be
Put your trust in me baby
I promise that I won't let go
Just let your body hit the floor
Baby get it , take your time
I wanna see you put your hand in mine
And baby I swear
That I'm gonna take you there

[Chorus]

All I wanna do is to have you

Girl up on my mind like a tattoo
There's something about this girl got a hold on me
And I'm out my time, I won't lie
So what can I do ? she's calling me
Cause , she's calling me
Girl I beg you stay, she's calling me
I'm so helpless
All I wanna do is to have you
Girl up on my mind like a tattoo
There's something about this girl got a hold on me
And I'm out my time, I won't lie
So what can I do ? she's calling me
Cause , she's calling me
Girl I beg you stay, she's calling me
I'm so helpless

Uuhh, girl I wanna get you to my room
Come on girl get ready cause I'm leaving soon
You know we'll be bumping, grinding
Up and downing, take it to the floor now
Cause we want it
Gotta get you to my room
Come on girl get ready cause I'm leaving soon
You know we'll be bumping, grinding
Up and downing, take it to the floor now
Cause we want it

[Chorus]
