Hey baby, I wanna know, if you ain't got a nigger, after
the show
We can kick it, maybe take it to the studio
But we got it going on tonight,
She said I like a bling, bling
I like the way you rock it on your... ring ring
You really got me going when you touch the same,
, we gotta do now, Shawty oh yeah

Oh we about to make love, while we up in this club
Baby girl I need you right now
This is just a preview, you know what we gonna do
, baby
Is it ok, if I put my hands on you there's a way
, we ain't gonna rush to the foreplay, foreplay
Is it alright, girl I wanna , so tight
Shawty are we gonna do it tonight?
Like nobody else, and we keep it, oh wow

Oh we about to make love, while we up in this club
Baby girl I need you right now
This is just a preview, you know what we gonna do
, baby
Is it ok, if I put my hands on you there's a way
, we ain't gonna rush to the foreplay, foreplay
Is it alright, girl I wanna , so tight
Shawty are we gonna do it tonight?
Like nobody else, and we keep it, oh wow

So what is it gonna be? I know that you're feeling me
too
And I want, I wanna be on you
I wanna be on you
,
Is it ok, if I put my hands on you there's a way
, we ain't gonna rush to the foreplay, foreplay
Is it alright, girl I wanna , so tight
Shawty are we gonna do it tonight?
Like nobody else, and we keep it, oh wow X 2
