I can't hear you baby cool it out
Aha, oh baby here we go aha
Pick your body go

Ain't nothing better,
Than watching you better move
From me to ..days we do
When we're together
I love the sounds that we make
When they deep lock and ..away
And even when they know that
It's like music to my ear
And i wanna do it voer and over again
No need to fear nobody's here but me and you
So let it out scream and shout
..here we go ayo ayo ayo
You never did that before ayo ayo

Chorus:
My body go uuh
Body body like uh
Make your body go uuh
Body body like uh uh
'cause we make love sounds
Love sounds
My body go uuh
Body body like uh
Make your body go uuh
I can't hear you baby girl ..

Now stop wait for the big drop
Now pick it up the .. 'cause we're going to stop
Make a big ..until the morning
Then know .. .
My favorite song oh baby
You can be my melody
Pick your sing like i'ma see
Every freaking night and every freakin

Oh baby we can break it down
And ..but girl i can do this

And let you make it
..yourself
..here we go ayo ayo ayo
You never did that before ayo ayo

Chorus:
My body go uuh
Body body like uh
Make your body go uuh
Body body like uh uh
'cause we make love sounds
Love sounds
My body go uuh
Body body like uh
Make your body go uuh
I can't hear you baby girl ..

Baby, baby go eee
Make me feel right memory
Baby go, baby go eeh
Baby let me ehar you say eeh
Uuh baby , ayo ayo ayo
