Makio - Missin the Signs

Baby when you're in my bed  
And had you all sleeping... instead  
Tel me what's the reason  
You don't call no more  
I usually hear you, knocking at my door.

I know we, along,  
But baby I ain't all right  
..cause baby I know!  
You get somebody at home, ,  
when you're leave me? Baby, don't go!  
You got me sleeping alone,  
Cause you ain't scared of the night  
And when you're leaving alone,  
Don't wanna tell you goodbye  
Somebody help me!

Chorus:  
Oh, oh, I can't keep..  
And I can't keep ,  
Oh, oh, sick of always saying goodbye,  
Now I know she mean it for sure!  
I know I'm just missing the signs  
We gonna end this tonight!  
She said she won't leave me alone  
And I just can't see the signs!

Tell me, why, got to know  
Did I make you happy when..  
So why you're trembling,  
If I'm just not good enough  
And why did you come to me  
When it wouldn't show you love?

I know we, along,  
But baby I ain't all right  
..cause baby I know!  
You get somebody at home, ,  
when you're leave me? Baby, don't go!

You got me sleeping alone,  
Cause you ain't scared of the night  
And when you're leaving alone,  
Don't wanna tell you goodbye  
Somebody help me!

It's gonna be a cold, cold without you,  
But have it your way  
You won't be coming like you used to  
And girl, you know!  
If you ain't trying to be,  
Why I see you calling on my cellphone?  
See you really wanna leave me  
We gonna see!

Chorus:  
Oh, oh, I can't keep..  
And I can't keep ,  
Oh, oh, sick of always saying goodbye,  
Now I know she mean it for sure!  
I know I'm just missing the signs  
We gonna end this tonight!  
She said she won't leave me alone  
And I just can't see the signs!
