Ashtrays full of cigarettes,  
A glass of wine and I forget,  
Try to speak, open my mouth,  
But nothing but smoke comes out.

Â Â Â Â (bis)

You won't be my sugar daddy... no more,  
My love went out and closed the door,  
So no more!

My love burnt out and closed the door  
You won't be my sugar daddy... no more,  
My love went out and closed the door  
So no more!

Nothing but smoke comes out.  
Nothing but smoke comes out.  
Nothing but smoke comes out.  
Nothing but smoke comes out.

He got down on his knees begging please  
"Woman let me come home, oh"

My heart says yes,  
My mind said no, no, no  
Â Â Â Â (bis)

You won't be my sugar daddy... no more,  
My love went out and closed the door,  
So no more!

My love burnt out and closed the door  
You won't be my sugar daddy... no more,  
My love went out and closed the door  
So no more!

Love went, love went...
