Speeding on the highway, bright lights on the road  
Looking for a woman for the night, gonna shoot my  
load  
Rocking and rolling on the mainspring, feeling a smile  
flash by  
Roll her to the left, roll her to the right, get high tonight

Bright lights  
Running faster than you  
Bright lights  
How does it feel to be through?

Fancy 5 a.m. the sun is in the trees again  
Coming back to hit the town, gonna kick the hammer  
down  
Speaking in my head, waking up in bed, sweating,  
shaking with fright  
Roll her to the left, roll her to the right tonight
