Katie was a kid, I guess she hid her thoughts from everyone

Went to school at eight, she was never late

Didn't know the meaning of fun

Every night Katie prayed to God above

But her daddy gave her everything but love

She woke up one day, said, "I'm on my way"

Her mummy read the letter, it did say

"I'm on my way, I'm on my way"

Ridin' with the angels

Ridin' with the angels

Ridin' with the angels

Ridin' with the angels

She's having fun fun fun

She's having fun fun fun

Rode around and every boy in town tried to win her back

But it was no go, 'cause she rode with Joe

He was the leader of the pack

People ran for cover as they rolled to town

The night was black, rain on the ground

Engines scream, runnin' too fast

They knew the ride would be their last

They're on their way, they're on their way

Ridin' with the angels

Ridin' with the angels

Ridin' with the angels

Ridin' with the angels

She's having fun fun fun

Fun fun fun, look out

What' you're gonna do about it, ah?

Ridin' with the angels

Ridin' with the angels

Ridin' with the angels

Ridin' with the angels

Ridin' with the angels  
Ridin' with the angels

Ridin' with the angels  
She's havin' fun fun fun  
Fun fun fun  
Ridin' with the angels  
She's havin' fun fun fun  
Fun fun fun
