Leading me on, you've been a bad, bad boy  
I betcha since you've been a kid, you've been a mama's  
toy  
I'm gonna teach you, you're gonna learn  
Don't fool with me, I'm gonna make you burn

Little boy blue, take off your shoe  
Just come a little closer, so my aim is true  
Well, I don't wanna do it, gonna make you hop  
It's hurting me, is it hurting you?

Take it like a man, oh, gonna do it all I can  
Take it like a man, oh, gonna do it all I can

Touch of the lash, you gotta discipline rash  
Six of the best bust, my leather strap  
I'm the master and you're the slave  
Bend over son, you're gonna be saved

Take it like a man, oh, gonna do it all I can  
Take it like a man, oh, gonna do it all I can
