"Tomorrow Or Yesterday"

Visit "[Tomorrow Or Yesterday](#)" on motolyrics.com

Once I had a dream I couldn't sleep through
But it told me off a game, I just couldn't see through
Can I really, really say...
If it's tomorrow or yesterday

Is there really a story behind this moral?
Or is it happiness instead of sorrow?
Can I really, really say...
If it's tomorrow or yesterday

SOLO

Is there really a story behind this moral?
Or is it happiness instead of sorrow?
Can I really, really say...
If it's tomorrow or yesterday
