"Under My Skin"

Visit "[Under My Skin](#)" on MotoLyrics.com

So intoxicating, is your love to me
I can't go too long without it

A single kiss from you and I'm stuck in a bubble of your
love for days and days

Every word you speak
Gets embedded in my heart and my knees get weak...
oh my

I need a daily dose of your magic potion, I don't wana
be free

CHORUS:

You get under my skin
And I'm not sure how you do it
You peel back my layers
And get deep inside of me oh baby (repeat)

I'll never get enough
I wana drown into the melted substance of you

All my fears are slain when I hold your hand, with you
I'm so brave

You're a choice my heart keeps making over and over
again

It's a comprehensive joy
Pure and complete
I feel revered

CHORUS
