Last night a song bird sitting outside my window,
He sagn a song for me

Last night,
All the stars in the sky,
They twinkled so brightly
It really was a sight to see

Today I spent 250 dollars,
250 dollars on a pair of jeans
They really looked nice on me

But that means, ooh, for the next two weeks, I'm gonna
be scrounging
I never save my money, you see.

I finished all the food on my plate
I'm still hungry
And I enjoyed all the food that I ate, ohhh, but I'm still
hungry

I've lived a relatively full life,
You should have seen some of the things I've seen

I've lived around the world, been a lot of places,
I really am lucky
Yeah, I'm really lucky

But sometimes I just can't take
I just can't take it no
I feel so lonely

I'm not ungrateful I just want more form the life I lead
Oh won't you give it to me, ohhh.

I finished all the food on my plate
But I'm still hungry
And I enjoyed all the food that I ate
But I'm still hungry
I'm still hungry

Iell I enjoyed all the food that I ate

And believe me when I say it tastes great
But I'm still hungry

I, finished all the food on my plate
And I enjoyed it yes it really tastes great
But I'm still hungry
I'm still hungry
Well I'm still hungry
I'm still hungry
I'm still hungry
