

## Malignancy

### "Inhuman Grotesqueries"

Visit "[Inhuman Grotesqueries](#)" on MotoLyrics.com

Engineered donors  
Deface bodily forms with excess muscle incursion  
Sleeping creatures, incubate the lost and forgotten  
Regenerative appendage growth stations  
Anonymous derelicts encroached upon

Animal testing phase provides valuable data  
Containment breach, acceptable losses  
Sacrificing for the greater good of man  
Transgenic upsets social hierarchy

Lost, the destitute, unseen acquired  
Homeless, abandoned dregs requires  
Methodical in the selection process

Sparing no expense for fresh subjects

Abduct the nameless  
Vesicate, reactions to sedations  
Propagate reproduce multiple living prosthesis  
Manipulate on a genetic level  
Exhibiting state of sovereignty

Replicating vital parts becomes habitual  
Regenerative appendage growth systems  
Facility functions with full production line  
Self contained human form  
Bio-mech synthoids, natural disorder
