Through a core of genius
This is my rendition of
Phil Collins, Take Me Home

Ooh ooh, ooh
Mmm, feels so good

Take that look of worry
I'm an ordinary man
They don't tell me nothing
So I find out all I can
There's a fire that's burning
Right outside my door
I can't see but I feel it
And it helps to keep me warm

So I, I don't mind
No I, I don't mind

Seems so long I've been waiting
Still don't know what for
There's no point of escaping
Don't worry anymore, no, I don't
I can't come out to find you
Don't like to go outside
They can't turn off my feelings
Like they turning off the lights

But I, I don't mind, no I don't
No I, I don't mind
No, oh oh oh oh
I don't mind
No, I don't have a care in the world, no
I don't mind, no
Ooh, come and take...

Take, take me home
Cuz I don't remember
Take, take me home
Ooh, I don't remember, no I don't
