You were there when I needed you
And I was more than you ever dreamed of
You were the one who said you would love me forever
For all of the loneliness I saved you from
We had a love that no one else could touch
And I thank god that you loved me back then
You were my world, you were my life
My best friend
Dont say you dont think love is worth it
Cause baby you know we deserve it
Cant we just
Give this one more second chance
Baby I know that your heart is still in it
so dont you act so indifferent
cant we just
give this one more second chance
There hasnt been a day gone by
That you havent come across my mind
Just when I thought Id stop hoping Id see you
Well here you are, just as big as life
I asked for your forgiveness once
And Im ready now to ask you again
Without your love, Im not myself
Thats what I said

Dont say you dont think love is worth it
Cause baby you know we deserve it
Cant we just
Give this one more second chance
Baby I know that your heart is still in it
so dont you act so indifferent
cant we just
give this one more second chance
I know that you still love me babe
I know that you still love me babe
And we belong together
Dont change your mind
Stay in my life
Why cant we give this one more second chance
Just one more time
Dont be unkind

Cant we give this one more second chance
Dont say you dont think love is worth it
Cause baby you know we deserve it
Cant we just
Give this one more second chance
Baby I know that your heart is still in it
so dont you act so indifferent
cant we just
give this one more second chance
