We be the g's who run this joint

Fuckin' bitches, sippin' brew be the motherfuckin' point.

CHORUS:

The seniors who knew

The ones who stayed true

So we lost a few and we won a few

Football season ain't shit unless you enjoy the brew

We hail to Flowell'n, our kickass funnel

After kicking Ridgefield's ass, or giving Trinity a pummel

CHORUS

Broken legs, hurt knees, we battled the fuck on

Against Bassick, Wilton, we got our truck on

Stamford wasn't shit, Danbury was a win if they didn't have the luck on

CHORUS

Moreover, we made this world

A better place to live as a New Canaan Football Player

May the legacy of the CFPA live on

For many years to come.

Special thanks to Lou Marinelli and Francis J. Arcamone

SUCK IT!
