(Sam Tsui)

I was thinkin about you, thinkin about me.
Thinkin about us, what we gonna be?
Open my eyes; it was only just a dream.

(Christina Grimmie)

I travel back, down that road.
Will you come back? No one knows.
I realize, it was only just a dream.

(Sam Tsui)

I was at the top and I was like I'm in the basement.
Number one spot and now you found your own
replacement.
I swear now that I can't take it, knowing somebody's got
my baby.
And now you ain't around, baby I can't think.
I shoulda put it down. Shoulda got that ring.
Cuz I can still feel it in the air.
See your pretty face run my fingers through your hair.

My lover, my life. My baby, my wife.
You left me, I'm tied.
Cuz I know that it just ain't right.

(Together)

I was thinkin about you, thinkin about me.
Thinkin about us, what we gonna be?
Open my eyes; it was only just a dream.
So I travel back, down that road.
Will you come back? No one knows.
I realize, it was only just a dream.

(Christina Grimmie)

When I'm ridin I swear I see your face at every turn.
I'm tryin to get my usher on, but I can let it burn.
And I just hope you'll know you're the only one I yearn
for.
No wonder I'll be missing when I'll learn?

Didn't give it all my love, I guess now I got my payback.
Now I'm in the club thinkin all about you baby.

Hey, you were so easy to love. But wait, I guess our love wasn't enough.

I'm goin through it every time that I'm alone.
And now i'm wishin that you'd pick up the phone.
But you made a decision that you wanted to move on.
Cause I was wrong...

(Together)
And I was thinkin about you, thinkin about me.
Thinkin about us, what we gonna be?
Open my eyes; it was only just a dream.
So I travel back, down that road.
Will you come back? No one knows.
I realize, it was only just a dream.

If you ever loved somebody put your hands up.
If you ever loved somebody put your hands up.
And now they're gone and you wish you could give them everything.
Ohhh, if you ever loved somebody put your hands up.
(if you ever loved somebody put your hands up.)
If you ever loved somebody put your hands up.
(if you ever loved somebody put your hands up.)
And now they're gone and you wish you could give them everything.

I was thinkin about you, thinkin about me.
Thinkin about us, what we gonna be?
Open my eyes (open my eyes); it was only just a dream (it's just a dream).
I travel back (travel back) (i travel back), down that road (down the road)(down the road).
Will you come back? No one knows (no one knows).
I realize, it was only just a dream (No, no, no...).

And I was thinkin about you, thinkin about me.
Thinkin about us, what we gonna be?
Open my eyes (open my eyes) (open my eyes); it was only just a dream (it's just a.. it's just a dream).
So I travel back, down that road.
Will you come back? No one knows.
I realize (i realize), it was only just a dream (baby, it was only just... it was only just a dream)

Nooo... Ohhh...
It was only just a dream.
