The way you make me feel
A,B,C easy as 1,2,3
You and i must make a pact
we must bring salvation back
where there is love
ill be there

Im gonna make a change
for once in my life
ill reach my hand to you
its gonna feel real good
gonna make a difference
gonna make it right
ill have faith in all you do
just call my name
ill be there

A Summer's Disregard,
A Broken Bottle Top
And A One Man's Soul
They Follow Each Other On
The Wind Ya' Know
'Cause They Got Nowhere
To Go
That's Why I Want You To
Know

I'm Starting With The Man In
The Mirror
I'm Asking Him To Change
His Ways
And No Message Could Have
Been Any Clearer
If You Wanna Make The World
A Better Place
Take A Look At Yourself,
Then Make A Change

You been hit by
you been struck by
a smooth criminal

she was more like
a beauty queen
from a movie scen
i said dont mind
but what do you mean
i am the one
thriller! thriller all night
who would dance on the floor
and around

She told me her name was Billie Jean,
as she caused a scene
Then every head turned with eyes that dreamed
of being the one
thriller thriller all night
Who will dance on the floor in the round

They told him don't you ever come around here
Don't wanna see your face,
you better disappear
The fire's in their eyes
and their words are really clear
So beat it, but you wanna be bad
beat, beat it
ill be there
just beat it beat it
ill be there
just beat it beat it
ill be there

Just beat it!
