We're ready to rumble
Set the party alive
Those drinks aren't for free now honey
Take it all the way
Bloody Mary

You are the fairest of the ladies
Who's hanging around in the bar
Your insecurity is like crazy
As is your dream of being a star

We're ready to rumble
Set the party alive
Those drinks aren't for free now honey
Take it all the way
Bloody Mary

Leave all the saints to do the weeping
There is no time to find out why
That nagging fear is always creeping
Of missing out if fate drops by
The burning need for affirmation
Will land you on your knees again

Speaker: "In the red corner weighing 50 kg
we have the lovely and sexy challenger
miss...ehm...from...some small city!
And in the blue corner weighing a total of
15 tons we got a hell horde of hungry horny
guys waiting to exploit, abuse and rip apart
the challenger! Call now, secure those front
row tickets, before it's all sold out!"

Title fight - airs tonight
So come join the circus
Come get a piece yourself
No she has no self-esteem
So don't worry in our ring obscene

Take your time, she's your wine

We're ready to rumble
Set the party alive
Those drinks aren't for free now honey
Take it all the way
Bloody Mary

Maim! Tame! Drain! Bloody Mary
