Magnified it's overwhelming  
All the details stand out clear  
Imperfections start to show  
So transparently obstructive  
Undertow  
There is no more forgiveness  
No more compromise  
From this moment of madness  
Now let's roll the dice

Burn the goddamn bridges  
Set them all alight, yeah  
Let us sink forever down  
And wash away the pain

Close your eyes and let it go now  
Take a deep breath and release  
Bid the emptiness inside  
Let it welcome and surround you  
It's alright  
There's no easy way out here

All is said and done  
In this mist I see so clear  
Now the burden's gone

Burn the goddamn bridges  
Set them all alight, yeah  
Let us sink forever down  
And wash away the pain

Let us sink into the night  
Let us sink into  
Let us sink into the night  
The night

Burn the goddamn bridges  
Set them all alight, yeah  
Let us sink forever down  
And wash away the pain
