Is this all I'm yet to tell?  
Is this all I have to breathe?  
Is my spirit breaking chains?  
Have I done enough to see?

Yes, ending's calling  
Calling me to freedom  
Ohhh the barrier's breaking  
I have entered the chaos

Is my time now up, at last?  
Has the feeling come to pass?  
I feel the cold across my mind  
Is this really just a dream?

Yes, ending's calling  
Calling me to freedom  
Ohhh the barrier's breaking  
I have entered the chaos

I can feel my body failing  
Introduce the void to warm you

Yes, ending's calling  
Calling me to freedom  
Ohhh the barrier's breaking  
I have entered the chaos  
Yes, ending's calling  
Calling me to freedom  
Ohhh the barrier's breaking  
I have entered the chaos

*\*Whispers\**

Is my darkly tide too late?  
Is the compromise finally shattering?  
Is my lifeline spread too thin?  
Is the warmth too much to take?  
Has the chaos let me speak?  
Has the chaos let me free?
