Let us sell salvation
they will send our pay
lead them to starvation
rob them while they pray.

Some day we may burn
cause in dollar we trust
building castles of faith
faith devoured by lust .

Cause they live in self frustration
in caves filled with pain
they are dying for salvation
we will sell them faith .

In the end will you stand toll
when the question is asked
did you trade down your lord
for a handful of cash .

Forgive me father for I have sinned
to my demons I gave in
I've tried to buy my way to heaven
but now in hell i burn.
forgive me father for I have sinned .

In the minds of those
who follows blindly
in their hearts filled with pain
we will plant the seed of hatred
will crown them with halos of vain .

In the end will you stand tall
when the question is asked
did you trade down your lord
for a handful of cash .

Some day we may burn
cause in dollar we trust
building castles of faith
faith devoured by lust .
