I said, what what, in the butt
I said, what what, in the butt
I said, what what, in the butt
I said, what what, in the butt
You wanna do it in my butt, in my butt?
You wanna do it in my butt, in my butt?
You wanna do it in my butt, in my butt?
Let's do it in the butt, okay

I feel you watching me
Over there
Come to me
If you care
Don't sit and stare
It's just not fair
Make your move
If you dare
What what

I said, what what, in the butt
I said, what what, in the butt
I said, what what, in the butt
I said, what what, in the butt
You wanna do it in my butt, in my butt?
You wanna do it in my butt, in my butt?
You wanna do it in my butt, in my butt?
Let's do it in the butt, okay

It's okay
To have a little fight
Don't you worry
I won't bite (Not that hard)
If you want it
I'll give you power
Just be gentle
I'm delicate like a flower

I said, what what, in the butt
I said, what what, in the butt
I said, what what, in the butt
I said, what what, in the butt
You wanna do it in my butt, in my butt?

You wanna do it in my butt, in my butt?
You wanna do it in my butt, in my butt?
Let's do it in the butt, okay

I will give you what you need
All I want is your big fat seed
Give it to me, if you please
Give it to me, if you please
I will give you what you need
All I want is your big fat seed
Give it to me, if you please
Give it to me, if you please

What what, in the butt
I said, what what, in the butt
I said, what what, in the butt
I said, what what, in the butt
You wanna do it in my butt, in my butt?
You wanna do it in my butt, in my butt?
You wanna do it in my butt, in my butt?
Let's do it in the butt, okay
