staring at  
this photograph  
is like staring at the sun  
warms my soul  
but burns too bright  
reminds me that i'm still alive

i could never beg can't ask you twice  
you leave a piece of me, but sterlise  
don't wait until its too late, get your star, yeah

thinking back  
a full time act  
a way to get around  
but the bridge  
you cast on fire  
reminds the past that i'm still alive

i could never beg can't ask you twice  
you leave a piece of me, but sterlise  
don't wait until its too late, get your star, yeah
