Daddy's little girl  
In her Catholic world  
Never ever late  
Always home by eight

But now college calls  
With it's hallowed halls  
She looks for her degree  
In the TFT

Now she's on display  
At UCLA  
Catholic school girl  
Meets her brand new world

Now she's oh so hip  
On the Sunset Strip  
Another eighteen  
Hollywood scene

She's a trip, she's a trip, she's a trip  
She's a new wave girl

Mommy's pride and joy  
Wait for the perfect boy  
But she's on her own  
Far away from home

She's a brand new fad  
From the distant past  
Colored every shade  
From the Me Decade

Such a pretty sight  
On the streets at night  
Between Crescent Heights  
And Doheny Drive

Now she's oh so hip  
On the Sunset Strip  
Hollywood dreams

On the silver screen

She's a hit, she's a hit, she's a hit  
She's a new wave girl

Get free of yourself  
Get free of yourself now baby  
Get free of yourself

She's a hit, she's a hit, she's a hit  
She's a new wave girl
