I shouldn't talk back to you  
I couldn't shut my mouth  
But it feels much better now

You're leaving me no questions  
You're giving me no choice  
And it feels like hanging on

Walking to the same thing  
Does it feel like getting old?  
Want to take the wrong direction  
A lesson that I can't be taught

Opportunity, opportunity, opportunity  
In my mind  
Opportunity, opportunity, opportunity  
Left behind  
Opportunity, opportunity, opportunity  
Take your time  
Opportunity, opportunity, opportunity  
Missing mine

I threw a look right to you  
I wouldn't ask to stay  
But it feels like getting on

You're leaving me no question  
You gave me too much choice  
Now that chance has come and gone

Walking to the same thing  
Does it feel like getting on  
Want to take the wrong direction  
A lesson that I can't ignore

Opportunity, opportunity, opportunity  
In my mind  
Opportunity, opportunity, opportunity  
Left behind  
Opportunity, opportunity, opportunity  
Take your time

Opportunity, opportunity, opportunity  
Missing mine

Shout cause I?m not listening  
It always pays to tell em twice  
I?m too old to get the feeling  
But I?m too young to give advice  
If I took it as you take it  
I?d be dead before I ever got bored

Opportunity, opportunity, opportunity  
In my mind  
Opportunity, opportunity, opportunity  
Left behind  
Opportunity, opportunity, opportunity  
Take your time  
Opportunity, opportunity, opportunity  
Missing mine
