she's way too deep
i'm tired of listening to her speak
forget about the way that you're placing a line on your
head
better you realise
we've been sitting getting high in the sun doing
nothing

she's taking things
i can't afford
she's asking things
i never would
she'll rest her head
misunderstood
she's getting high
i'm getting bored

i'm in too deep
i'm tired of trying to get some sleep
we've be lying here for hours sketching our lines in the
sand
waiting for nothing
if we're going to stay awake let's do something

she's taking things
i can't afford
she's asking things
i never would
she'll rest her head
misunderstood
she's getting high
i'm getting bored
