I'm just watching the air thicken  
There is no comfort in your moisture  
So let me feel your source  
I'm not into moderation  
Let me hear your condensation  
So let me feel your source  
Buzzsaw ripping down my spine  
Avoiding the man who once said  
it's better to be sucked than stroked  
But what does he know  
Buzzsaw ripping down my spine  
Ignoring the man who once said  
What I just sang but he can't sing  
He's too busy inside  
I'm just watching the air thicken  
There is no comfort in your moisture  
So let me feel your source  
I'm not into moderation  
Let me hear your condensation  
So let me feel your source  
Buzzsaw tearing at my gut

Avoiding the man who once said

Be decadent not hesitant

But what does he know

Buzzsaw tearing at my gut

Ignoring the man who once said

What I just sang but he can't sing

He's too busy inside
