Last night I, I saw you standing  
And I started, started pretending  
I knew you, you knew me too  
And just like a lonely, you were too shy  
And you were all lonely, and so was I  
And I, dreamed of you ever since  
Now I, build up my confidence  
That next, next time you come my way  
I'll know just what to say  
Can we talk, for a minute  
Girl I want to know your name  
Can we talk, for a minute  
Girl I want to know your name  
I started, to write you letters  
Cause I want her, to be, more than ever  
I wanted to get down and receive, to hug you  
Girl.....  
But, just like a baby, I do not talk  
I tried to get closer, but I could not walk  
And I, dreamed of you ever since  
Now I, build up my confidence  
That next, next time you come my way  
I'll know just what to say
