Bear: Hey, this was really fun

Luna: We hope you liked it too

Bear: Seems like we've just begun

Both: When suddenly we're through

Bear: Goodbye, goodbye, good friends, goodbye

Both: Cause now it's time to go

Bear: But, hey, I say, well, that's OK

Luna: Cause we'll see you very soon, I know

Bear: Very soon, I know

Both: Goodbye, goodbye, good friends, goodbye

Bear: And tomorrow, just like today

Luna: (Goodbye - today)

Both:
The moon, the bear and the Big Blue House
We'll be waiting for you to come and play
To come and play, to come and play

Bear: Bye now!
