Dig up her bones but leave the soul alone  
Boy with a broken soul  
Heart with a gaping hole

Dark twisted fantasy turned to reality  
Kissing death and losing my breath

Midnight hours cobble street passages  
Forgotten savages, forgotten savages

Dig up her bones but leave the soul alone  
Let her find a way to a better place  
Broken dreams and silent screams  
Empty churches with soulless curses  
We found a way to escape the day

Dig up her bones but leave the soul alone  
Lost in the pages of self made cages  
Life slips away and the ghosts come to play  
These are hard times  
these are hard times for dreamers  
And love lost believers

Dig up her bones but leave the soul alone  
Let her find a way to a better place  
Broken dreams and silent screams  
Empty churches with soulless curses  
We found a way to escape the day

Candybar creep show  
My highs hit a new low  
Marinate in misery  
Like a girl of only 17  
Man made madness  
And the romance of sadness  
A beautiful dance that happened by chance

Happened by chance, happened by chance

Dig up her bones but leave the soul alone

Let her, let her, let her

Let her find her way back home

Broken dreams and silent screams

Empty churches with soulless curses

We found, we found

We found a way to escape the day

To escape the day

To escape the day

To escape the day
