Walk Of Life

Dot dot dah dot dot dah dah

Dot dot dah dot dot dah dah

Dot dot dot dot dot dah dah

Dot dot dot dot dot dah dah

Walking under the maple tree

To myself I am pondering

Thinking about all these things

That's bothering me lately

Why is this pressure all on me?

Why this negativity?

If something's wrong blame it on me

B-E-Y-O-N-C?

Shut up No one said to open your mouth

Shut up

If you do not like me how about

Shut up

Why waste your energy on me?

Shut up

Is it cause you wanna be me?

Chorus:

Dot dot dah dot dot dah dah (No more lying)

Dot dot dah dot dot dah dah (No more hating)

Dot dot dot dot dot dah dah (No more dissing)

Dot dot dot dot dot dah dah (No more snaking)

Dot dot dah dot dot dah dah (No more cheating)

Dot dot dah dot dot dah dah (No more sneaking)

Dot dot dot dot dot dah dah (No more bugging)

Dot dot dot dot dot dah dah (No more judging)

Everybody judging me

Knowing nothing about me

Causing insecurities

Because of someone's jealousy

Losing all my privacy

Wanting much more normalcy

Learning to appreciate mainly

Gifts my God has given me

Shut up

Noone said to open your mouth

Shut up

If you do not like me how about

Shut up

Why waste your energy on me?

Shut up

Is it cause you wanna be me?

chorus

Love yourself

If not to live life for you

And nobody else

Nobody else

chorus
