My mom is making sounds
Like she's making love
Something's going on...

The tone of her breathing
Goes straight into my bones
Something's going wrong
It's like I'm stuck in a song
Singing

Deep breathing
Deep breathing
Why are you breathing so
Is someone mean to you
Has the wind grown

Deep breathing
Deep breathing
Why you breathing so

My mom is making sounds
Like she's about to die
And I can't get out if bed
I'm too scared to cry

I begged God to stop the suffering
And I'd be forever good
My God made a miracle
But I haven't been as I should

Deep breathing...

Deep breathing
Deep breathing
Why are you breathing so
Is someone mean to you
Has the wind grown

Deep breathing
Deep breathing
Why you breathing so
