The heart is a bloom
It shoots up through the stony ground
But there's no room
No space to rent in this town

You're out of luck
And the reason that you had to care
The traffic is stuck
And you're not moving anywhere

You thought you'd found a friend
To take you out of this place
Someone you could lend a hand
In return for grace

It's a beautiful day
The sky falls, you feel like, beautiful day
You don't let it get away

You're on the road
But you've got no destination
You're in the mud
In the maze of her imagination
You love this town

Even if that doesn't ring true
You've been all over
And it's been all over you

It's a beautiful day
The sky falls, it feels like a beautiful day
Don't let it get away

You see the world in green and blue
See China right in front of you
See the canyons broken by cloud
See the tuna fleets clearing the sea out

See the Bedouin fires at night
See the oil fields at first light
See the bird with a leaf in her mouth
After the flood all the colors came out, don't

It was a beautiful day
Don't let it get away
A beautiful day

Touch me
And take me to that other place
Reach me
I know I'm not a hopeless case

What you don't have, you don't need it now
What you don't know, you can feel it somehow
What you don't have, you don't need it now
Don't need it now, it's a beautiful day, it was a beautiful
day

What you don't have, you don't need it now
What you don't know, you can feel it somehow
What you don't have, you don't need it now
You don't need it now, you don't need it now
You don't need it now, you don't need it now
