I'm craving
For the best of You
I want the best of You
I'm craving
To know the depths of You
I want to know Your truth
That all my thoughts may turn to You
May my kingdoms fall to You
Build my walls up with Your truth
No foundations made from sand
Only on Your rock I'll stand
With all my strength
With all I am
I'm craving
Wanting You to show
A You I've never known
I'm craving
Wanting You to be
The greatest part of me
That all my plans may turn to You
May my kingdoms fall to You
Build my walls up with Your truth
No foundations made from sand
Only on Your rock I'll stand
With all my strength
With all I am
All I'll be
All I am
It's in Your hands
It's in Your hands
All I pray
All I have
It's in Your hands
It's in Your hands
May my kingdoms fall to You
Build my walls up with Your truth
No foundations made from sand
Only on Your rock I'll stand
May my kingdoms fall to You
Build my walls up with Your truth
No foundations made from sand
Only on Your rock I'll stand

With all my strength
With all I am
