Well, I heard you say you would love for a lifetime
And now you complain a lifetime just doesn't feel right
for you

Another casualty of casual love
Another soul out of place, a heart that gave up

Why do we break the promises we make?
Are we living for ourselves?

And don't give up on love and throw it all away
Don't give up on love and let it fall away
When did it become so easy to run from your pain?
Don't give up on love and throw it all away, don't give
up on love

Well, I heard you say
You can't change a stubborn heart
Yeah, I can relate
?Cause that's how I feel when I talk with you

Why should it take losing everything
To realize it might be time to change?

Don't give up on love and throw it all away
Don't give up on love and let it fall away
When did it become so easy to run from your pain?
Don't give up on love and throw it all away

And your restless heart won't win
?Cause you take but you don't give
And you'll keep moving on
Until you learn what love is

Yeah, your restless heart won't win
?Cause you take but you don't give
And you'll keep moving on
Until you learn what love is

Don't give up on love and throw it all away
Don't give up on love and let it fall away
(Don't give up on love)
Don't give up on love, love

(Don't give up on love)
Don't give up on love, love

Yeah, your restless heart won't win
?Cause you take but you don't give
And you'll keep moving on
Until you learn what love is
Don't throw it all away
