We didn't have a lot of fun in the desert  
We didn't have a lot of fun in the sand  
So saddle up your cow  
And fall behind us now  
'Cause we're goin' to the Promised Land!

For years I've eat nothing but manna  
A dish that is filling, but bland  
But now we're on our way  
I'll have a cheese souffle  
'Cause we're goin' to the Promised Land!

And in the Promised Land, it's gonna be so grand  
We'll have our fill from the grill,  
As much as we can stand  
It'll be so great, oh we can hardly wait  
'Cause we're goin' to the Promised Land!

The dining was lousy with Moses  
But we'll be feasting with Josh in command!  
I'd like a taco, please  
And some pintos and cheese  
'Cause we're goin' to the Promised Land!

In the Promised Land, it's gonna be so grand  
We'll have our fill from the grill,  
As much as we can stand  
It'll be so great, oh we can hardly wait  
'Cause we're goin' to the Promised Land!

Oh the Promised Land, it's gonna be so grand  
We'll have our fill from the grill,  
As much as we can stand  
It'll be so great  
With waffles on my plate!  
'Cause we're goin' to the Promised Land!

Waffles sounds so good right now  
I can just see the feast

They say it's flowing with milk and honey

They say it's flowing with milk and honey  
It's flowing with milk and honey  
'Cause we're goin' to the Promised Land.

In the Promised Land, it's gonna be so grand  
We'll have our fill from the grill,  
As much as we can stand  
It'll be so great, oh we can hardly wait  
'Cause we're goin' to the Promised Land!

And in the Promised Land, it's gonna be so grand  
We'll have our fill from the grill,  
As much as we can stand  
It'll be so great  
With waffles on our plate!  
'Cause we're goin' to the Promised Land!
