So say goodbye 'cause you'll be leaving soon  
I know it's hard and I'll be missing you  
I know it's time to say goodbye

I know the road has worn you down  
You never broke, you always held your ground  
But now it's time to say goodbye

And I know we'll meet again but I wish it'd never end  
You don't mean to make me cry  
But it's so hard to say goodbye  
Say goodbye, say goodbye

And though you're gone I remember now  
The time we shared, your words still ring out  
You're never far, you're in my heart

And I know we'll meet again but I wish it'd never end  
You don't mean to make me cry  
But it's so hard to say goodbye  
Say goodbye, say goodbye

I know we'll meet again but I wish it'd never end  
You don't mean to make me cry  
But it's so hard

Someday we'll meet again 'cause that's how the story  
ends  
It's so hard to say goodbye  
Say goodbye
