Verse 1:

Empty moments when I feel hopeless
Have left me restless inside.
Doubt and sadness have kept me in fragments
Longing for a better life.

Bridge:

Oh, it's the way the world turns.
The way, the way...

Chorus:

And I feel the current pullin' me down.
Can't keep the world from turning around
So I keep turning to You. I keep turning
'Cause You're the hope of a new sunrise
Breaking over a desperate life
And I keep turning to You. I keep turning to You.

Verse 2:

I'm so distracted by senseless passions
Tilting my wandering eyes.
But every person brings me closer to the truth
That only You can satisfy.

Chorus:

When I feel the current pullin' me down.
Can't keep the world from turning around

So I keep turning to You. I keep turning
'Cause You're the hope of a new sunrise
Breaking over a desperate life
And I keep turning to You. I keep turning to You.

Coda:

The way we're hurting keeps us turning to You... to You.

Bridge 2:

(Oh it's the way the world turns,
The way the world turns)
Oh, and I keep on turning to You.
(Oh it's the way the world turns,
The way the world turns)

Oh, and I keep on turning to You.

Chorus:

'Cause You're the hope of a new sunrise

Breaking over a desperate life

And I keep turning - turning to You.

(Oh it's the way the world turns,

The way the world turns)

Oh, and I keep on turning to You.

I keep turning to You.

I keep turning to You.
