I've been waiting so long,
when's your love gonna fall,
you know I'm ready for your reign to come.
I've been feeling so dry,
seems I'm dragging behind,
you know I need to feel your touch, this time.

I know that I've been wrong.
I know it seems I'm bound to fall,
but I know that through it all,
your loves enough to pull me up
to the place that I've been dreaming of,
and I'm here and you choose to come.
I'll be the first to quench my thirst in the river of the
sun.
and I'm here and the spirit falls
hands above ready for a shower of your love.
I'm holding I've got to grip
oh for just one taste of this sweet love.

I'm tired of this life,
all i'm holding inside,
you know I need to feel your hand in mine.
I've made up my mind,
I'm not leaving till i find,
a bitter brokenness to pierce my pride,

cuz I know that I've been wrong,
I know seems I'm bound to fall,
I know through it all,
your loves enough to pull me up to the place that I've
been dreaming of,
and I'm here and you choose to come.
I'll be the first to quench my thirst in the river of the
sun.
and I'm here and the spirit falls,
hands above ready for a shower of your love.
I'm holding on I've got to grip,
oh for just one taste of this sweet love.

Hold me now,

all my sins layed out.
I'm a slave, to what you say.
Take me now, I'll refuse to doubt,
Lord I'm ready, for your change.

And I'm here and I choose to come.
I'll be the first, to quench my thirst in the river of the
son.
and I'm here and the spirit falls,
hands above ready for a shower of your love.
I'm holding on I've got to grip,
oh for just one taste of this sweet love.
I'm holding on I've got to grip,
oh for just one taste of this sweet love.
