You never walked away
You never left or let me down
You always set me free
Because You love me, I was found

I won't walk away, away
And I will follow
You wherever You lead
I won't walk away

I will follow
You wherever You lead
I won't walk away

You always lead me on
To where You know I need to be
Forever I will trust in
Where Your wings will carry me

And I won't walk away, away
And I will follow
You wherever You lead
I won't walk away

I will follow
You wherever You lead
I won't walk away

I won't walk away
I won't walk away
I won't walk away

You never walked away
You never left or let me down
You always set me free
Because You love me I was found

I will follow
You wherever You lead
I won't walk away

I won't walk away

I won't walk away
I won't walk away

I won't walk away
I won't walk away
I won't walk away
I won't walk away
